BURSON SINK, security officer, Whirlpool Corporation, advised that Subject does not have access to restricted data.

BACKGROUND

Records of the Whirlpool Corporation reflect that Subject was born March 12, 1912 at Wilmette, Illinois, graduated from the St. Joseph, Michigan High School during 1930, was married December 30, 1949 at St. Joseph, Michigan, and was classified 4F during World War 2.

Subject's record also reflects the following former employments and places of residence: 1929-1932 intermittently employed by the Uptown Machine Company, St. Joseph, Michigan (now known as Whirlpool Corporation); 1933-1934 employed as messenger, Stromberg Allen Company, Chicago, Illinois; 1937-1942 self-employed as salesman for the Watkins Company, St. Joseph, Michigan.

901 Walcott Street, St. Joseph; 823 Lewis Avenue, St. Joseph; 806 Main, St. Joseph; and 3082 State Street, St. Joseph.

It is noted that there is no record of Subject's marriage on file at the Berrien County Clerk's Office, St. Joseph, Michigan.

According to Informant Detroit T-2 Subject was married either in Chicago or somewhere in Wisconsin.

NATIONALISTIC SYMPATHIES, TENDENCIES AND ACTIVITIES

During December, 1950 Informant Detroit T-3, of unknown reliability and admitted member of the Communist Political Association in the Benton Harbor area [redacted], stated that during 1946 he saw ROBERT MOUNSEY in attendance at Communist meetings held in the home of LEO WEST. ✓

According to Informant Detroit T-4, of known reliability, LEO WEST was a registered member of the Communist Party during 1946 and 1947. ✓

Informant Detroit T-5, of known reliability, stated that LEO WEST was formerly in charge of the Benton Harbor Communist Club. ✓

According to Informant Detroit T-1 ROBERT MOUNSEY was a registered member of the Communist Party during 1947 having been issued card number 69503. ✓

During 1947 Informant Detroit T-6, of known reliability, stated that he believed ROBERT MOUNSEY had acted as the local reporter in the St. Joseph, Benton Harbor area for the "Michigan Herald."

According to Informant Detroit T-7, of known reliability, the "Michigan Herald" is now known as the "Michigan Edition - The Worker" which is the Michigan edition of "The Worker," an east coast Communist publication.

During October, 1951 Informant Detroit T-2 stated that he met the Subject [redacted] and subsequently attended meetings of the Communist Party at Subject's home when he resided at 308½ State Street, St. Joseph, Michigan. Informant further stated that prior to attending the above-mentioned meetings he knew MOUNSEY was active in the Communist Party after becoming acquainted with his associates and conversations with LEO WEST. Informant said he did not believe Subject had ever held an office in the Communist Party; however, he was evidently highly regarded and trusted because he was usually one of the local members who was contacted by the District Communist Party organizer.

During July, 1950 Informant Detroit T-8, of known reliability, stated that Subject attended a meeting of the section committee of the Western Michigan Section Communist Party which was held in the home of a Communist Party member at Cobert, Michigan on July 2, 1950. According to Informant this meeting as well as all meetings of the section committee was a closed meeting attended by one of the representatives from each of the Communist Party clubs in the area.

Informant Detroit T-8 stated during September, 1950 that ROBERT MOUNSEY would probably not attend any future meetings of the Party inasmuch as he had signed a non-Communist affidavit at his place of employment. According to Informant Subject was planning to continue his monthly donations to the Communist Party club covering his area of residence.

JOHN SCOS, former financial secretary of Local 931 UE and presently employed in the Employee Relations Department, Whirlpool Corporation, advised that he has known Subject for the past five years and that they both served on the Executive Board of Local 931 UE during 1949 and 1950. SCOS said he first became aware of Subject's Communist Party sympathies when he was a close associate of LEO WEST. According to SCOS MOUNSEY sided with WEST on political views and on more than one occasion would second the motion presented by WEST during meetings of the union local.

SCOS also said he had heard that Subject had been attending Communist Party meetings in the Benton Harbor area ever since 1948. In view of the fact that SCOS is no longer a member of the UE he said he was not aware of any Communist Party activities on the part of the Subject.

(DE 100-16667)

SOOS claimed that MOUNSEY was very reluctant to sign a non-Communist affidavit which was required of all Whirlpool employees during 1950.

[redacted] Whirlpool Corporation, described MOUNSEY as a very aggressive individual and one who has been very active in union affairs. [redacted] said he has personally heard the Subject openly advocate Communism to his fellow employees and has heard of the same through other employees. [redacted] described MOUNSEY as being the type of individual whom he would not trust.

Re memo of SA HOMER J. ST. JOHN, 2/17/59.

On 2/24/59, JOHN SOOS, Manager of Hourly Personnel, Whirlpool Corp., St. Joseph, Michigan, advised that MOUNSEY continues to be employed by the company and is currently working as a sub-assembler on the combination washer-dryer machine line. As such, he does not have access to any classified information. According to SOOS, the Subject currently resides at 366 John St., Benton Harbor, Michigan.

SOOS advised that MOUNSEY, currently a member of IAM-AFL, was recently elected to the position of steward in that union, and, is taking an active part in union activities.

According to SOOS, MOUNSEY is known to be agitating for the return of UE as the bargaining representative of the shop employees. SOOS said he considers MOUNSEY to be a "hard-core" believer in UE.

By memo dated 3/9/59, SA JOHN C. DOIG advised that a contact with [redacted] on 3/3/59 revealed that Informant has no current knowledge concerning MOUNSEY and has not heard Subject's name mentioned in CP circles during the past several years. SA DOIG further advised that [redacted] when contacted on 3/3/59, had no knowledge regarding the Subject.

In view of the information set forth above, it is recommended that Subject not be considered for interview in view of his union activities and that he be removed from Communist Index.

On 3/17/59, through the cooperation of JOHN SOOS, referred to above, SA HANSEN toured an appropriate part of the Whirlpool Corp. plant for the purpose of observing the Subject. It was noted that Subject sits at a table where he sub-assembles a component which is utilized in the combination washer-dryer machine. It is apparent that Subject is practically blind since his job is accomplished almost entirely by touch. Subject was observed as he left his table and went to nearby storage bins for additional components. His actions in this respect also indicated that he is practically blind.
